ME & Company

DeeDee Ricketts has cut and styled hair professionally for over 30 years. Early in her career, she worked for the Beauty Bower, a 12 chair salon above Ensley's store. In the 1970's, she opened her own salon in Zanesfield (SE corner of Sandusky and Columbus Sts.). Later, DeeDee closed her salon due to family needs and worked for the Empress salon in Bellefontaine. In 1991, DeeDee struck out solo again and formed ME & Company. Today, her salon provides hair cuts, pedicures, consultation for new clients, waxes, curls, manicures, coloring, and color repair. ME & Co. styles hair for men, women and children.

Mad River Theater Works

...is a rural professional theater company based in Zanesfield. Their purpose is to craft plays that are drawn from and produced for the people of the rural Midwest as well as, audiences from throughout the country and the world. They interview local residents and research historical issues with contemporary relevance. They use this material to create original plays with music. They perform their work at home and on tour to multi-generational audiences with a primary emphasis on appearances in small towns and farm communities throughout the region. They also conduct residencies in which we work with students, teachers, and community members in small towns to create and perform an original play based on the history of their community. Bob Lucas (Producing Dir., Composer, Musician, Dir., Performer) and Christopher Westhoff (Managing Dir., Performer, Musician) are the core company artists.
